The Jiko Difference

Direct T-Bill Ownership

Clients hold U.S. T-bills directly in their own name, with no fund structure, lending, leverage, or commingling

Real-Time Yield

Automated T-bill investing helps clients maximize the time their cash is invested in U.S. Treasuries while maintaining access to liquidity

Liquidity & Payments

Fully transactional accounts keep cash accessible whenever clients need it, with 24/7 payments alongside traditional wires and ACH

Revenue Growth

Earn revenue share and deepen client relationships by offering a solution clients are asking for

Partnership Models

Referral Partners

Simple introductions with no technical integration or operational lift

Earn recurring revenue by introducing clients to Jiko's Treasury-backed cash solutions

Jiko manages onboarding, KYC/KYB, compliance, trading, and servicing end-to-end

API & Platform Partners

Embed Jiko's Treasury-backed cash capabilities into your existing platform

Expand your offering and create new recurring revenue opportunities

Flexible commercial structures based on your platform and client base

Explore Opportunities

Jiko provides the regulated infrastructure, onboarding, and servicing, enabling partners to expand their offerings and generate recurring revenue without building their own banking or brokerage infrastructure.
